Experience

Independent App Developer and Digital Storyteller

2025 - Present

Self-directed work | Remote

- **Mobile Product & UX Strategy:** Directed end-to-end product messaging and launch communications for 4 self-launched consumer iOS applications on the App Store.
- **Interactive Visual Storytelling:** Developed web portfolios, interactive data visualizations, and public case studies combining editorial clarity and technical design.
- Maintained a professional portfolio and project archive at anilkaraca.com.

Communications Advisor / Corporate Communications Specialist

2019 - 2024

İzmir Metropolitan Municipality & İZBETON | İzmir, Türkiye

- **Social Media Strategy & Engagement:** Spearheaded the multi-platform brand strategy for a metropolitan municipality serving 4.5M+ residents; grew organic social channels and supported growth in organic engagement through targeted, video-first content campaigns.
- **Agency & Vendor Management:** Governed relationships and creative workflows with external advertising and media agencies; optimized creative brief processes to reduce asset turnaround times while ensuring complete compliance with strict brand governance guidelines.
- **Stakeholder Alignment & Reporting:** Translated highly complex, civic data sets into interactive visual dashboards and corporate reports, improving communication transparency for B2G stakeholders.

Digital Journalist / Editor

2014 - 2019

BirGün | dokuz8HABER | Ege'de Sonsöz | Türkiye

- Produced deadline-driven digital coverage across civic, political, and public-interest topics with strong editorial standards.
- Built real-time election graphics and digital explainers that helped audiences understand fast-changing public information.
- Conducted investigative reporting, fact-checking, source verification, and public records research under newsroom pressure.
